Contract for Organic Field Maintenance:

A motion was made at the April 21, 2015 meeting to accept bid from Mahoney's Safe Lawn for organic maintenance. Holly will speak with Tim Goddard about sending Mahoney's the contract.

Contract for Field Maintenance:

Mark mentioned the terrible condition of the fields. The field condition needs to be improved. Kristina McPherson from Mahoney's called Rick to try and get more water on the fields. However, there is concern that the water will run out and possibly burn out the pump.

The condition of the fields will be incorporated into Recreation's long term plan. Part of the Organic Maintenance bid include an overseed. It is best to overseed during the growing season which is also when the fields get the most play. We could plan to take the baseball field at Banta Davis out of play for the Fall 2015 season to overseed the field.

Rick will talk with Lawhorn Irrigation and/or Wilmington Pump regarding getting more water on the fields.

Mark and Rick plan to meet with Jared to walk the fields and discuss cutting the tree line back 30ft.

Dave made the motion was made to extend the Field Maintenance contract with Jared A. Davis through December 31, 2015. Mark seconded the motion. All in favor: Yes.

Holly will speak with Tim Goddard about sending out a Field Maintenance Extension to Jared Davis.

Update on Volleyball Court:

Rick would like to request an additional \$2,000 to properly complete the volleyball court and add more gravel. Jared has donated time to spread the sand.

Mark made the motion to allocate an additional \$2,000 from the Gift Account to complete the Volleyball Court. Dave seconded the motion. All in favor: Yes.
